CL-2

SOURCES OF INFORMATION ON FOOD PRESERVATION  
United States Department of Agriculture  
Agricultural Research Administration  
Bureau of Agricultural & Industrial Chemistry  
Western Regional Research Laboratory  
Albany 6, California

For the convenience of those inquiring about the technology of food preservation, the following short list of sources of information has been prepared. In this brief selection duplication of subject matter has been avoided. These books contain many references to articles where more detailed information will be found. The inquirer is urged to explore further the many excellent books and journals devoted to "foods". Lists are obtainable in public and private libraries.

BooksTechnology

1. Campbell, C. H. Campbell's Book, Canning, Preserving, and Pickling. Revised Edition 1937. Vance Pub. Co., New York, N. Y. Canning techniques including formulae, machinery, etc.
2. A Complete Course in Canning. The Canning Trade. Baltimore 2, Maryland Revised 1946. All types of commercial canning.
3. Cruess, W. V. Commercial Fruit and Vegetable Products. Second Edition 1938. McGraw-Hill Book Co., New York, N. Y. All phases; fruit and vegetables, canning, preserving, drying.
4. Fiene, F., and Blumenthal, S. Handbook of Food Manufacture, 1938. Chemical Pub. Co. of New York, Inc., New York, N. Y. Formulae for bakery, soda fountain, jellies, jams, sauces, baking powders, etc.
5. Gazan, M. H. Flavours and Essences. A Handbook of Formulae, 1936. Chapman and Hall, Ltd. London. Directions for preparing extracts, and formulae for extensive list of essences.
6. Herrick, A. D. Food Regulation and Compliance. Vol. 1, 1944. Revere Pub. Co., New York, N. Y. Federal Laws and their administration.
7. Jacobs, M. B. The Chemistry and Technology of Food and Food Products. 2 vols. 1944. Interscience Publishers, Inc., New York, N. Y. Highly scientific and of especial interest to the chemist in food technology.
8. Tressler, D. K., Joslyn, M. A., and Marsh, G. L. Fruit and Vegetable Juices. 1939. The AVI Pub. Co., Inc., New York, N. Y. Preparation of juices, concentrates, syrups, beverages and their preservation.
9. Von Loesecke, H. W. Outlines of Food Technology. Reinhold Publishing Corp., 330 West 42nd Street, New York 18, N. Y. Covers Technology of manufacture of meat, grains, fats, spices, nuts, beverages, dairy products, fruits and vegetables.
10. Winton, A. L., and Winton, K. B. The Analysis of Foods, 1945. John Wiley and Sons, New York, N. Y. General, Microscopic, physical and chemical methods of analyzing food materials.

## DIRECTORIES AND PERIODIC ISSUES

11. Almanac 1946. Compiled and published each spring by the Canning Trade, Baltimore 2, Maryland.
12. Canned Food Reference Manual. 2nd Edition 1943. American Can Company, 230 Park Avenue, New York, N. Y.
13. Food Products Directory (1945) published by W. J. McCamman, 1960 Hayes Street, San Francisco 17, California.
14. Refrigerating Data Book. Application volume. American Society of Refrigerating Engineers, 50 West 40th Street, New York, N. Y. 1946.
15. Thomas Wholesale Grocery and Kindred Trades Register, 48th Edition. 1946. Thomas Publishing Co., New York, N. Y.
16. Western Canner and Packer. Statistical Review and Year Book Number. Vol. 38 (6) 1946. 121 Second Street, San Francisco 5, California.
17. Agricultural Index. H. W. Wilson Co., New York, N. Y. Published monthly.

## PERIODICAL PUBLICATIONS

Current information concerning developments in the food industries is indispensable. Quality standards, costs, machinery, organization, labor management, and marketing are reported in trade and research journals. The publications listed herein print articles and news on all phases of food preservation. Listed elsewhere are representative journals which deal with specialized processes as, for example, freezing preservation.

Although incomplete, this list is considered representative. Public and private libraries have complete lists for the use of those inquirers who wish to make extensive reviews.

18. Food Industries. McGraw-Hill Co., New York 18, N. Y.
19. Food Research. The Garrard Press. Champaign, Illinois.
20. Fruit Products Journal and American Food Manufacturer.  
The AVI Publishing Co., 31 Union Square, New York 3, New York.
21. Western Canner and Packer. Western Trade Journals, Inc.,  
121 Second Street, San Francisco 5, California.
22. Modern Packaging. Brekin Publishing Co., Inc.,  
122 E. 42nd Street, New York 17, New York.

UNITED STATES GOVERNMENT PUBLICATIONS

## 23. The United States Department of Agriculture.

Requests to the Office of Information or other Federal Agency will receive a direct reply. When an agency deems it necessary to forward the request there may be some delay in the receipt of a reply.

A printed list of available publications, Miscellaneous Publication No. 60, may be obtained by request from the Office of Information United States Department of Agriculture, Washington 25, D. C.

The mimeographed list of publications from the Western Regional Research Laboratory may be consulted for reprints of articles by members of the Laboratory staff.

## 24. The Superintendent of Documents, Washington 25, D. C.

Prints and distributes free, price lists of available publications. The following lists, include many of the publications concerned with foods.

Price List 11.	38th Ed. 1946	Food and Cooking
Price List 21.	34th Ed. 1946	Fish and Wild Life
Price List 38.	41st Ed. 1946	Animal Industry
Price List 44.	39th Ed. 1946	Plants
Price List 46.	41st Ed. 1946	Agricultural Chemistry.

## 25. The Federal Security Agency: Food and Drug Administration, Washington 25, D. C.

Standards of identity and other information concerning federal law, and regulations regarding processed foods, will be furnished by this agency.
